Dusk till Dawn

Verse 1

Bbm **Bbm/Db**
You were always with us
 F/C **F7/Eb**
But after all these many years
 Bbm/Db **Ebm**
there came the end, there came the tears
 Bbm/Db **F** **F7/Eb**
and left us with believe and trust

Verse 2

Bbm **Bbm/Db**
And now that you are gone
 F/C **F7/Eb**
I wish that you can feel the love
 Bbm/Db **Ebm**
from some place far and far above
Bbm/Db **F** **F7/Eb**
Maybe you're still holding on

Chorus

Ebm **Fm7/C**
Are you the shadow in my life
Dbadd2 **Bb7**
that follows me from dusk till dawn?
Gb **Db**
Even when I sit and moan
Gb **F**
I get the feeling I'll survive
Bm **Ebm** **Bbm/Db** **F** **F7/Eb**
- at least I will from dusk till dawn

Verse 3

Bbm **Bbm/Db**
Are you one of the stars
F/C **F7/Eb**
illuminating all that's dark
Bbm/Db **Ebm**
sending down that little spark
Bbm/Db **F** **F7/Eb**
that we will cherish in our hearts

Verse 4

Bbm **Bbm/Db**
It's just a ray of hope
F/C **F7/Eb**
that shimmers in the twilight,
Bbm/Db **Ebm**
makes the night seem almost bright
Bbm/Db **F** **F7/Eb**
and brighter until we can cope

Chorus

Ebm **Fm7/C**
Are you the shadow in my life
Dbadd2 **Bb7**
that follows me from dusk till dawn?
Gb **Db**
Even when I sit and moan
Gb **F**
I get the feeling I'll survive
Ebm **Fm7/C**
Are you the shadow in my life
Dbadd2 **Bb7**
that follows me from dusk till dawn?
Gb **Db**
Even when I sit and moan
Gb **F**
I get the feeling I'll survive
